ARCHIVES AND HISTORY

"We are trying to build up extensive records which will be of value to a future historian..."

"It is highly important that the factual material be placed in our files in such a way that there can be no substantial distortion..."

"We want to keep enlarging on this idea for the sake of the full length history to come..."

— Bill W., 1957

The idea for organizing an historical collection of the Fellowship's records came from A.A. co-founder Bill W. in the early 1950s. Bill was becoming increasingly concerned that *"the history of Alcoholics Anonymous is still veiled in the deep fog."* Knowing that the office correspondence was loosely maintained in the drawers at the General Headquarters, he set out to arrange our historical records.

He personally recorded old-timers' recollections in the Akron/Cleveland area; he sent out boxes of blank tapes to others, encouraging them to record their recollections. Bill's far-reaching vision outlined an archival message that is still sound today. As he said: *"Every one of the new and unexpected developments (in A.A.) has, lying just underneath, an enormous amount of dramatic incident and experience—stories galore.... It isn't hard to prepare a fact sheet of what happened—that is, dates when people came in, groups started and so forth. The hard thing to lay hold of is the atmosphere of the whole proceedings and anecdotal material that will make the early experience alive."*

After many decades of tireless organizing and arranging, the G.S.O. Archives room was opened with a formal ribbon-cutting ceremony in November 1975.

Since then, the G.S.O. archivists and the trustees serving on the Archives Committee of the General Service Board have encouraged the importance of archival service, which is vital to the survival of the Fellowship. As a result of that work, today almost all areas have set up archival collections, and there is a significant growth at the district level.

Historical records help us to sift through our day-to-day experience in recovery and reach back for the shared experience from the past. As we sort out the myth from the facts, we ensure that our original message of recovery, unity and service remains the same in a changing, growing, expanding Fellowship that constantly renews itself.

LASKER AWARD

The American Public Health Association presented the Lasker Award to Alcoholics Anonymous "in recognition of its unique and highly successful approach" to an "age-old public health and social problem, alcoholism."

Started in 1946, these annual awards have been presented to individuals and groups which have made major contributions to public health efforts. This highly prestigious award is often compared to the Nobel Prize, and many of its laureates have received both honors.

The presentation was made in San Francisco at the Opera House on

(Continued on page 8)

Only you can decide whether you want to give A.A. a try — whether you think it can help you.

We who are in A.A. came because we finally gave up trying to control our drinking. We still hated to admit that we could never drink safely. Then we heard from other A.A. members that we were sick. (We thought so for years!) We found out that many people suffered from the same feelings of guilt and loneliness and hopelessness that we did. We found out that we had these feelings because we had the disease of alcoholism. We decided to try and face up to what alcohol had done to us. Here are some of the questions we tried to answer *honestly*. If we answered YES to four or more questions, we were in deep trouble with our drinking. See how you do. Remember, there is no disgrace in facing up to the fact that you have a problem.

Answer YES or NO to the following questions.

1 - Have you ever decided to stop drinking for a week or so, but only lasted for a couple of days?

Most of us in A.A. made all kinds of promises to ourselves and to our families. We could not keep them. Then we came to A.A. A.A. said: "Just try not to drink today." (If you do not drink today, you cannot get drunk today.)

☐ Yes ☐ No

2 - Do you wish people would mind their own business about your drinking-- stop telling you what to do?

In A.A. we do not tell anyone to do anything. We just talk about our own drinking, the trouble we got into, and how we stopped. We will be glad to help you, if you want us to.

☐ Yes ☐ No

3 - Have you ever switched from one kind of drink to another in the hope that this would keep you from getting drunk?

We tried all kinds of ways. We made our drinks weak. Or just drank beer. Or we did not drink cocktails. Or only drank on weekends. You name it, we tried it. But if we drank anything with alcohol in it, we usually got drunk eventually.

☐ Yes ☐ No

4 - Have you had to have an eye-opener upon awakening during the past year?

Do you need a drink to get started, or to stop shaking? This is a pretty sure sign that you are not drinking "socially."

☐ Yes ☐ No

5 - Do you envy people who can drink without getting into trouble?

At one time or another, most of us have wondered why we were not like most people, who really can take it or leave it.

☐ Yes ☐ No

6 - Have you had problems connected with drinking during the past year?

Be honest! Doctors say that if you have a problem with alcohol and keep on drinking, it will get worse -- never better. Eventually, you will die, or end up in an institution for the rest of your life. The only hope is to stop drinking.

☐ Yes ☐ No

7 - Has your drinking caused trouble at home?

Before we came into A.A., most of us said that it was the people or problems at home that made us drink. We could not see that our drinking just made everything worse. It never solved problems anywhere or anytime.

☐ Yes ☐ No

8 - Do you ever try to get "extra" drinks at a party because you do not get enough?

Most of us used to have a "few" before we started out if we thought it was going to be that kind of party. And if drinks were not served fast enough, we would go some place else to get more.

☐ Yes ☐ No

9 - Do you tell yourself you can stop drinking any time you want to, even though you keep getting drunk when you don't mean to?

Many of us kidded ourselves into thinking that we drank because we wanted to. After we came into A.A., we found out that once we started to drink, we couldn't stop.

☐ Yes ☐ No

10 - Have you missed days of work or school because of drinking?

Many of us admit now that we "called in sick" lots of times when the truth was that we were hung-over or on a drunk.

☐ Yes ☐ No

11 - Do you have "blackouts"?

A "blackout" is when we have been drinking hours or days which we cannot remember. When we came to A.A., we found out that this is a pretty sure sign of alcoholic drinking.

☐ Yes ☐ No

12 - Have you ever felt that your life would be better if you did not drink?

Many of us started to drink because drinking made life seem better, at least for a while. By the time we got into A.A., we felt trapped. We were drinking to live and living to drink. We were sick and tired of being sick and tired.

☐ Yes ☐ No

What's your score?

Did you answer **YES** four or more times? If so, you are probably in trouble with alcohol. Why do we say this? Because thousands of people in A.A. have said so for many years. They found out the truth about themselves — the hard way. But again, only *you* can decide whether you think A.A. is for you. Try to keep an open mind on the subject. If the answer is **YES**, we will be glad to show you how we stopped drinking ourselves. Just call (615-831-1050). A.A. does not promise to solve your life's problems. But we can show you how we are learning to live without drinking "one day at a time." We stay away from that "first drink." If there is no first one, there cannot be a tenth one. And when we got rid of alcohol, we found that life became much more manageable.

ALCOHOLICS ANONYMOUS is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions.

A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes.

Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

ABOUT A.A.

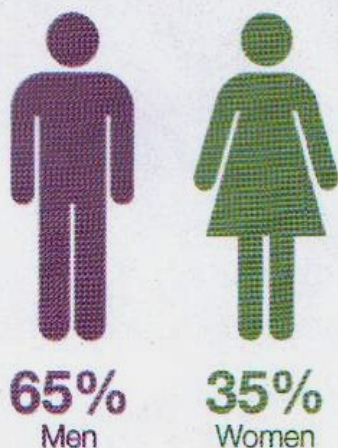

A.A. can be found almost everywhere, almost all the time – in more than 114,000 groups throughout the world. We welcome opportunities to cooperate with others who are providing help to alcoholics.

Look for A.A. in your phone book, newspaper or write to: Grand Central Station, Box 459, New York, NY 10163. General information is available on our Web site: www.aa.org

IN 2011 more than 8,000 A.A. members from the U.S. and Canada participated in a random survey of the membership. Such studies have been conducted every three to four years since 1968 by the General Service Office.

Alcoholics Anonymous conducts this survey to keep members informed on current trends in membership characteristics. The survey also provides information about A.A. to the professional community and to the general public as part of A.A.'s purpose to carry our message to those who still suffer from alcoholism.

Once again, the 2012 Annual Dinner proved to be a huge success. This year's dinner netted a little over \$3,000, all of which benefitted the Central Office. This helps with operating expenses, including staffing of the telephone hotline, funding for "The Messenger," and printing meeting guides, among other costs. It should be noted that the annual dinner is the only fundraising activity for the Central Office, so its success is crucial in maintaining operations. The dinner provides not only a means for fundraising, but also a great opportunity for fellowship and the ability to carry the message.

Without the help of a sea of volunteers, this endeavor would not have been possible. Ticket sales were through the roof, thanks in great part to the work of our inter-group representatives. We expected about 300 people, but closer to 400 attended, with representation of numerous groups throughout Middle Tennessee. We have some great cooks in the fellowship! Thanks to everyone who

contributed to the pot-luck! At the last minute, there was a change in gears, and a group of volunteers stepped up to the plate to ultimately ensure the dinner's success. Included were Heather R., Lou L. and her coffee crew, Melanie V., Jenny E., Al C., Elyse M., Mary Allison W. and Morgan M. Central Office staff members, Charles C. and David W. were an essential part of the planning and direction. Our M.C., Steve L. and keynote speaker, Mike A. led the show, making the evening a night to remember! Of course, we also give unyielding thanks to everyone who showed up early and stayed late.

It's not too early to commit to volunteering for the 2013 dinner. If interested, contact the Central Office at 615-832-1136. Your willingness is greatly appreciated, and we look forward to continued success in future dinners!

Yours in service,
Cynthia S.

(P.S.- An extra special "thanks" to Pam N. for writing this article for me!)

ARCHIVES AND HISTORY (con't)

(Continued from page 1)

October 30, 1951. Mr. Bernard Smith (nonalcoholic), former chairman of the Board of the Alcoholic Foundation (now the General Service Board), accepted the award on behalf of Alcoholics Anonymous.

Gold Key Award

Presented to A.A. in 1959. The Gold Key Award was established in 1959 by the National Council on Alcoholism (now known as National Council on Alcoholism and Drug Dependence) to honor individuals who have made outstanding contributions to the field of alcoholism on a national level. This organization was founded by Marty M., who was among the first women to achieve permanent sobriety in A.A. Bill W., A.A.'s co-founder, accepted the award on behalf of the Fellowship.

The Franciscan Award

In 1967, the order of Conventional Franciscan Fathers and Brothers granted the Franciscan Award to Alcoholics Anonymous in recognition of the "outstanding contribution to humanity" that A.A. has made "in the field of social service." A letter to the General Service Office announcing the award reads, in part: "We hope that the granting of the Franciscan Award to the society of Alcoholics Anonymous will be an impetus to all the members to continue and increase their great and much needed work."

This was the second time the Franciscans granted the Fellowship an award. Acknowledging that first award, Bill W. writes in January 1950: "From the A.A. point of view, an interesting and helpful precedent has been established. We shall be able to say with confidence when other donors put in an appearance that they would do quite as

well, even better in fact, if they chose to honor the Society of Alcoholics Anonymous rather than any of its founders. As I told you, this happy concept was not mine at all. It really came from the Founder of your order, St. Francis of Assisi, whose example and spirit have already done so much for me and for A.A."

Volunteer Action Award

In recognition of A.A.'s 48-year history of providing the suffering alcoholic with a way back to society and family, President Reagan presented A.A. with a Volunteer Action Award in a ceremony at the White House on April 13, 1983.

The President's Volunteer Acton Awards were created in 1982 and serve to highlight those individuals who have demonstrated outstanding accomplishments through voluntary action.

Accepting the award for Alcoholics Anonymous was William E. Flynn, M.D., then a nonalcoholic trustee on A.A.'s General Service Board. The award itself, in the form of a sterling silver medallion, is an honor we all share in A.A. The President made the following remarks when the award was presented: "Alcoholics Anonymous, begun in 1935 by two men diagnosed by medical specialists as incurable alcoholics, is a unique program of support, example and friendship by recovering alcoholics for new members. Since A.A.'s founding, over 650,000 men and women who have participated have overcome their alcoholism."

To people familiar with endless drives for charitable funds, AA presented a strange and refreshing spectacle. . . They pointed out that the irresponsible had become responsible, and that by making financial independence part of its tradition, AA had revived an ideal that its era had almost forgotten.
