A Most Important Piece of Paper

MAR 2020

The afternoon of December 11th, 1934, at the age of 39, Bill Wilson staggered up the steps and through the doors of Charles R. Towns Hospital, 293 Central Park West, NY, NY for the last time as an inebriated drunk, waving his last bottle of beer at [Dr. "Silky" Silkworth](#) as he was met in the hall. He had been there two times previously to dry out. Bill was admitted at 2:10pm, and so began the history of Alcoholics Anonymous in [Sobriety](#). From that moment Bill never took another drink of alcohol. That beginning is recorded for all time on this piece of paper.

Ebby Thatcher, an old drinking buddy, now sober, had visited Bill in his kitchen in November 1934, had explained the Oxford Group teachings to Bill, who was drinking at the time, and planted the seed that would grow into Alcoholics Anonymous. What Ebby conveyed to Bill is the basis of what we know today as the 12 Steps of Alcoholics Anonymous.

"I learned that I had to admit I was licked; I learned that I ought to take stock of myself and confess my defects to another person in confidence; I learned that I needed to make restitution for the harm I had done

others. I was told I ought to practice the kind of giving that has no price tag on it, the giving of myself to somebody. Now, I know you are going to gag on this, but they taught me to pray to whatever God I thought there was for the power to carry out these simple precepts. And if I did not believe there was any God, then I had better try the experiment of praying to whatever God there *might* be. And you know, Bill, it's a queer thing, but even before I had done all this, just as

soon as I decided that I would try with an open mind, it seemed to me that my drinking problem was lifted right out of me." - *AA Comes of Age*, 58-59.

And now, a few weeks later, Bill found himself once again in the hospital for alcoholism, totally inebriated and helpless, suffering through the barbiturate and

of Wm. G. Wilson**

It also records for posterity the time frame of Bill's spiritual awakening that began the process of Bill recognizing the importance of carrying the message of sobriety to other drunks in order to stay sober himself.

millions of us down through the years to the present day.

The following day, Ebby brought Bill a copy of William James' *Varieties of Religious Experience* and Bill devoured it, discovering the answer to, and significance of, his Spiritual Experience. *Complete hopelessness, deflation at depth, and total surrender to a Power that none of us understand*, and then it happens! The result of *One Alcoholic talking to Another!* The carrying of the 12th Step Message! That without each other, without continued surrender to our Higher Power, without continued practice of the Steps of Alcoholics Anonymous, **we are doomed to insanity, incarceration and death! There is no reprieve through our own will power!**

Bill was released the morning of the 18th of December, immediately associated himself with the Oxford Groups, immediately began the practice of the steps and working with other alcoholics, a practice that continued for his lifetime, until his death January 24, 1971. He carried the message to my prime sponsors, Tex R., Cliff W., Chuck C., in the process, so that I too would hear the message and would recover from the alcoholic's seemingly hopeless state of mind and body.

So many times since then recovered alcoholics have repeated this message to newcomers:

"The power and ways are given to us to be passed on to others. To think or do anything else is pure selfishness. We only keep them and get more by giving them away, and if we do not give them away, we lose them. What I have done, you can do too . . . if you live as I have lived in sobriety and do as I have done, applying the 12 Steps of Alcoholics Anonymous to my life in all my affairs."

Yes, that is a most important piece of paper, for from it, nearly 40 years later, began my life in sobriety, February 28, 1974. A wonderful sober life of 16799 One Days At A Time 'til today. I am most grateful.

belladonna "purge and puke" treatment of that day for drying out a drunk.

He had been in bed a short while he heard the doctor talking to Lois by the door, saying that if her husband came out of this episode and did drink again, he did not honestly believe he would live six months. When he heard these words he was immediately carried back to his talk with his friend Ebby and could not dismiss the idea that although Ebby might be batty with religion, he was sober and he was happy. He kept turning this over in his mind, in a mild delirium, and came to a vague conclusion that maybe Ebby did have something in a man's helping others in order to get away from his own obsessions and problems.

On his second day at Towns, Ebby, still sober, visited Bill, once again laying out what he had previously told Bill, then left. Struggling with his helplessness and his ego, sinking into a deep depression of incomprehensible demoralization, Bill finally surrendered the evening of the 14th, and the Spiritual Experience occurred, freeing not only Bill from the grips of Alcoholism, but countless

**For Anyone New Coming to A.A.
For Anyone Referring People to A.A.**

This information is both for people who may have a drinking problem and for those in contact with people who have, or are suspected of having, a problem. Most of the information is available in more detail in literature published by A.A. World Services, Inc. This sheet tells what to expect from Alcoholics Anonymous. It describes what A.A. is, what A.A. does, and what A.A. does not do.

What Is A.A.?

Alcoholics Anonymous is an international fellowship of men and women who have had a drinking problem. It is nonprofessional, self-supporting, multiracial, apolitical, and available almost everywhere. There are no age or education requirements. Membership is open to anyone who wants to do something about his or her drinking problem.

Singleness of Purpose and Problems Other Than Alcohol

Some professionals refer to alcoholism and drug addiction as “substance abuse” or “chemical dependency.” Non-alcoholics are, therefore, sometimes introduced to A.A. and encouraged to attend A.A. meetings. Non-alcoholics may attend open A.A. meetings as observers, but only those with a drinking problem may attend closed A.A. meetings.

What Does A.A. Do?

1. A.A. members share their experience with anyone seeking help with a drinking problem; they give person-to-person service or “sponsorship” to the alcoholic coming to A.A. from any source.
2. The A.A. program, set forth in our Twelve Steps, offers the alcoholic a way to develop a satisfying life without alcohol.
3. This program is discussed at A.A. group meetings.
 - a. Open speaker meetings — open to alcoholics and non-alcoholics. (Attendance at an open A.A. meeting is the best way to learn what A.A. is, what it does, and what it does not do.) At speaker meetings, A.A. members “tell their stories.” They describe their experiences with alcohol, how they came to A.A., and how their lives have changed as a result of Alcoholics Anonymous.
 - b. Open discussion meetings — one member

speaks briefly about his or her drinking experience, and then leads a discussion on A.A. recovery or any drinking-related problem anyone brings up. (Closed meetings are for A.A.s or anyone who may have a drinking problem.)

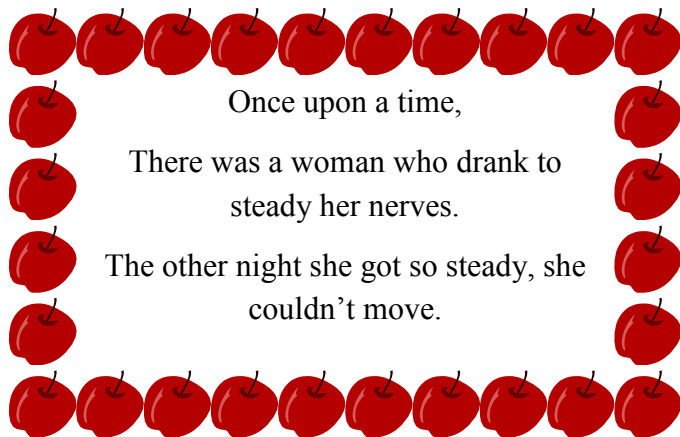

- c. Closed discussion meetings — conducted just as open discussions are, but for alcoholics or prospective A.A.s only.
- d. Step meetings (usually closed) — discussion of one of the Twelve Steps.
- e. A.A. members also take meetings into correctional facilities and treatment settings.
- f. A.A. members may be asked to conduct the informational meetings about A.A. as a part of A.S.A.P. (Alcohol Safety Action Project) and D.W.I. (Driving While Intoxicated) programs. These meetings about A.A. are not regular A.A. group meetings.

What A.A. Does Not Do

A.A. does not:

1. Furnish initial motivation for alcoholics to recover.
2. Solicit members.
3. Engage in or sponsor research.
4. Keep attendance records or case histories.
5. Join “councils” of social agencies (although A.A. members, groups and service offices frequently cooperate with them).

Understanding Anonymity, P-47 page 7 "The spiritual significance of anonymity"

"In stressing the equality of all A.A. members - and unity in the common bond of their recovery from alcoholism - anonymity serves as the spiritual foundation of the Fellowship.

Back in 1948, Bill W., our co-founder, wrote: 'One may say that anonymity is the spiritual base, the sure key to all the rest of our Traditions. It has come to stand for prudence and, most importantly, for self-effacement. True consideration for the newcomer if he desires to be nameless; vital protection against misuse of the name Alcoholics Anonymous at the public level; and to each of us a constant reminder that principles come before personal interest - such is the wide scope of the all embracing principle.

In it we see the cornerstone of our security as a movement; at a deeper spiritual level it points us to still greater self-renunciation."

International Convention Alcoholics Anonymous

July 2-5, 2020 | Detroit, Michigan

Love and Tolerance is Our Code • l'amour et la tolérance, voilà notre code • El amor y la tolerancia son nuestro Código

February 2020

To: Intergroups and Central Offices, U.S./Canada

From: Julio Espallat, 2020 International Convention Coordinator

Dear Friends:

This is a friendly reminder regarding setting up future local events for 2020, the year that the 2020 International Convention will be held in Detroit, Michigan, July 2-5, 2020.

"Reflecting guidance from the Additional Consideration of the 1999 Conference Committee on International Conventions/Regional Forums, the trustees' Committee on International Conventions/Regional Forums suggested that the area/state/provincial committees be made aware that experience has shown that planning a local A.A. event such as a convention, too near the dates of an International Convention may result in a smaller attendance at the local event; this notice to be sent out annually starting three years prior to each International Convention."

Once again, if you would pass this information on to any local or regional planning committees who may be setting up future events for 2020, we would appreciate your cooperation.

Estimados amigos:

Este es un amable recordatorio acerca de planear eventos futuros de A.A. para 2020, el año en que se celebrará la Convención Internacional de 2020 en Detroit, Michigan, los días 2 al 5 de Julio de 2020.

"De acuerdo a la orientación de la Consideración Adicional del Comité de Convención Internacional/Foros Regionales de la Conferencia de 1999, el Comité de Convención Internacional/Foros Regionales de los custodios sugirió que se informe a los comités de área/estado/provincia que la experiencia ha demostrado que planear un evento de A.A. local tal como una convención, en una fecha cercana a las fechas de la Convención Internacional puede tener como resultado un efecto adverso en la asistencia a los eventos locales; esta nota se enviará anualmente con tres años de antelación a cada Convención Internacional."

Si tuvieran la bondad de transmitir esta información a los comités de planificación locales o regionales que puede que estén planeando eventos para 2020, les estaríamos muy agradecidos por su cooperación.

Members From Court Programs and Treatment Facilities

In recent years, A.A. groups have welcomed many new members from court programs and treatment settings. Some have come to A.A. voluntarily; others, under a degree of pressure. In our pamphlet "How A.A. Members Cooperate," the following appears:

We cannot discriminate against any prospective A.A. member, even if he or she comes to us under pressure from a court, an employer, or any other agency. Although the strength of our program lies in the voluntary nature of membership in A.A., many of us first attended meetings because we were forced to, either by someone else or by inner discomfort. But continual exposure to A.A. educated us to the true nature of the illness.... Who made the referral to A.A. is not what A.A. is interested in. It is the problem drinker who is our concern.... We cannot predict who will recover, nor have we the authority to decide how recovery should be sought by any other alcoholic.

Proof of Attendance at Meetings

Sometimes a referral source asks for proof of attendance at A.A. meetings.

Groups cooperate in different ways. There is no set procedure. The nature and extent of any group's involvement in this process is entirely up to the

individual group.

Some groups, with the consent of the prospective member, have an A.A. member acknowledge attendance on a slip that has been furnished by the referral source. The referred person is responsible for returning the proof of attendance. This proof of attendance at meetings is not part of A.A.'s procedure. Each group is autonomous and has the right to choose whether or not to sign court slips. In some areas the attendees report on themselves, at the request of the referring agency, and thus alleviate breaking A.A. members' anonymity.

Literature

A.A. Conference-approved literature is available in French and Spanish. For additional copies of this paper, or for a literature catalog please write or call the General Service Office.

AA Grapevine, a monthly international journal — also known as "our meeting in print" — features many interesting stories about recovery from alcoholism written primarily by members of A.A. It is a useful introduction and ongoing link to A.A.'s diverse fellowship and wealth of recovery experience. The Spanish-language magazine *La Viña* is published bimonthly.

For Grapevine information or to order a subscription to either AA Grapevine or *La Viña*: (212) 870-3404; fax (212) 870-3301; website: www.aagrapevine.org.

Conclusion

The primary purpose of A.A. is to carry its message of recovery to the alcoholic seeking help. Almost every alcoholism treatment tries to help the alcoholic maintain sobriety. Regardless of the road we follow, we all head for the same destination, recovery of the alcoholic person. Together, we can do what none of us could accomplish alone.

We can serve as a source of personal experience and be an ongoing support system for recovering alcoholics.

I volunteer because it is such a rewarding form of twelfth step service work, not just for me but hopefully for others as well. I also personally find the fellowship of central office to be a real asset in my life. This is one of the greatest ways that I have found to give back to a program that has provided so much to me. Volunteering at central office is the best way of carrying our message.

My Name Is Bill W
THE HALLMARK MOVIE

With Depression-era destitution and sudden spiritual re-awakenings, there was more than enough drama in the history of Alcoholics Anonymous to make for a TV movie.

James Woods played the title role and James Garner portrayed Dr. Bill S. in the 1989 Hallmark Hall of Fame film *My Name Is Bill W*.

Woods won an Emmy for his performance.
